Aloha!

We hope that this letter finds you in the best of health and remaining safe. While it was a difficult decision, our team decided to postpone our 15th Annual Golf Tournament Fundraiser that was going to be held this month (July 2020). We are hopeful to schedule this traditional golf tournament in July 2021.

In mid-March, HIAC closed its doors due to the COVID-19 pandemic and 27 staff were temporarily laid off. Our participants and their families/caregivers were tasked with caring for their loved ones 24/7. Needless to say, this pandemic affected everyone in our community with a rippling effect.

Since the whole world has been staying home and in-person events aren't happening thanks to social distancing, it was time for us to pivot to an online/virtual fundraiser event.

With your help, our goal is to raise funds for HIAC in order to meet our mission, "to provide high quality day care for elders and challenged adults and support for their families in order to ensure continued living at home – aging in place". Join us and enjoy this virtual event titled, "Who Whacked the Mole" in the comforts of your home.

The event is a perfect opportunity to make a donation or become a sponsor and increase advertising for your company or product. Together, let's build our community's capacity to thrive. Here are the details:
