

Aloha,

Since 1976, Hawaii Island Adult Care (HIAC) has provided high-quality day care for elders and challenged adults to ensure continued living at home – aging in place. We’ve experienced ups and downs in our economy many times over. Today, we reach out for support for our tuition assistance program for kupuna in need in our community – those who have an inability to pay for services at the level or frequency that their health status requires.

Our motto at HIAC is EVERYDAY–Celebrate Life! Our staff does an amazing job to make every day special for our kupuna and we want to share our HIAC family fun and games with you. 100% of net proceeds from this event will provide direct financial assistance to kupuna so they get the services they need, and their caregivers can receive respite, support and/or continue working.

On Sunday, June 4, 2023 we will host our very first Play 4 Kupuna Game Night at the Arc of Hilo from 4:00–8:00 PM. This fun-filled evening will feature an assortment of exciting games including card darts, table games, team competitions such as karaoke and charades, as well as an all night buffet from *White Guava Cafe*, drinks, exciting prizes and much more!

We hope you will consider partnering with us and sponsor our first ever community Game Night . If you have any additional questions, or want to know more or have a tour of our day care center, please contact me, Acacia Trusdell at development@hawaiiislandadultcare.org and (808)480-3733.

Mahalo nui loa for your time and consideration.

Mālama Pono,

Acacia Trusdell
